

## Mr. Leith Undre Hatchett Sr.

June 13, 1971 - March 8, 2022

Leith U. Hatchett Sr. was born on June 13th, 1971 in Milwaukee, WI to J.D. Hatchett and Yvonne Cooper,

He was a good student and a fast learner who excelled in his academics. He received his formal education from the Milwaukee Public School System.

Leith accepted Christ as his Lord and Savior at a young age attending Northside COGIC and never lost his faith and he took every opportunity to profess his love for Christ

He enjoyed spending quality time with family and friends, especially Iris grandchildren whom he adored. Leith looked forward to every chance he could get to teach his grandsons the game of football and convince them to become diehard Dallas Cowboys fans as he was. He was a joy to be around and the life of any party. His amazing ability to read the room and uplift spirits was next level. You'd usually catch him providing a substantial history lesson surrounding hip-hop or sharing his amazing vocals as he recited his version of an R&B classic! Leith's love for music, food and creative ability was greatly appreciated. Usually any rhyme he spat included, "I'm C-O-O-L Leith" and ending with "FaSho". That's how you knew bars were to follow.

Leith absolutely loved being a father and was extremely proud of the accomplishments his children have obtained thus far. He was a protector and

motivator at all times. When he wasn't spending time with family and friends, Leith loved experiencing different cultures through food and sharpening his history skills. He truly was an absolutely GENIUS.! He would then allow those different cultures to shine through in dishes he prepared, as cooking was a hobby.

Leith made a living being a leader in any organization he aligned his skill set with, His passion for food and exceptional customer service landed him multiple roles as a General Manager for well-known establishments throughout his career, It was through those roles that afforded him the opportunity to drive impact through enhancing the customer's experience and driving the bottom line.

Leith's character and PURE heart allowed everyone around him to gravitate towards him. You knew after being around him or chatting with him you'd leave feeling uplifted and at minimum, laughing! Leith was loved and he will be dearly missed. Leith departed this life Tuesday, March 8th, 2022. He was preceded in death by his father J.D. Hatchett and brother, Marcus Hatchett.

He leaves to cherish his loving memory his beloved mother, Yvonne Cooper; children, Leith Jr, Mylah and Skylar Hatchett; grandsons, Terrence Martin, Torrence Martin and Halyn Smith; siblings, Lynn Richard (Raymond), Tonya Hatchett, Antione Hatchett, Mia Singleton (Zeffrey), Tara Hatchett-Jewell (Darren), Starley Rembert and Mary Cooper along with a host of nieces, nephews, relatives and friends.
