“ *Madear I know that you are happy now,you in the Arms Of Jesus.I thank God for you and daddy you both were the best parents in this world.I miss you both Oh so very much ,words can't even express my feelings.Mama I'm gald that you fasted for for us .God gave you the wisdom to know how much it would be needed for all of your children.You always put God first,so that everything would work out for all of your KIDS.Now that you and daddy is gone Home to glory,We know that both of you want us to get alone and take care of each other like you both taught all of us your loving children to do.Now it's us and JESUS, and our souls loves only the Lord,but our hearts loves EACH OTHER.*
