“ I worked with Leroy at Aim. He was such a wonderful man! We once received a compliment about him, not from a direct customer, but from a lady who was having trouble loading his car in a store parking lot. Leroy saw her struggling and stopped to help her get her items in her car. She was so touched by him that she felt the need to call the company. This is just one small example of how the world was a better place for having Leroy in it. He will be truly missed!
