“ Hey Sis!! Happy Heavenly Birthday!! Miss you much and thanking God for such a wonderful legacy you left behind. Striving to find the same type of faith and strength you had before you left us. Same me a spot!!

“ My family and I would like to extend our sympathies to the family especially Zach and Anthony. We will miss your mom very much. She is such a dear person. But you know Linda is well. She's in a place where we all aspire to be. We will all see her again. Linda will see my baby Bethany again and they will laugh and sing together again just like in Sunday School some years ago. Anthony and Zach be the best at whatever you do it will be a tribute to what your mom's expectations and it will fullfill her legacy.##imported-begin##Sandra Chapman##imported-end##

“ Auntie Linda words cannot express how much you meant to our family. You were the glue that held this family together. You used to always tell me that you treat people the way you would like to be treated. That's why you were so kind hearted to everyone you met. I know that you are up there planning the next get together, game night or baking your good ole peanut butter cookies. God had plans for you so enjoy paradise. I will not say goodbye but see you later. Gone but not forgotten.

“ To my loving sister, I will miss you dearly, from the day that I found out that you were sick my heart ached so much that I couldn' believe that the Lord would take another one of my sibilings away. You have become a joy to my life seeing you fight everyday, I drew my strength from the faith of walk that you did daily. I have never seen anyone with so much courage and aspiration to livethrough so much pain and suffering. I will miss you dearly and thank you for being a part of my life and I would never want a better baby sister than you! Many kisses and loving you forever! You'll always have a special spot in my heart!

“ *My Auntie Linda was the best aunt to have in the world! She would always make sure her nieces were a part of her baking cookies, celebrating all the holidays, sleep overs, get togethers, and always just having plain ole fun! My aunt was always fun loving, smiling, goofy, silly, and down to earth! She will always be in my heart and I couldn't ask for a better aunt! My auntie was very CRAZY about LaShaun and JaShonn, and they also will never forget having a great-aunt that they can call "BOO-BOO!" We love you and miss you!!!*
