

Mrs. Linda Faye "Chick" Mayfield

February 27, 2024

Linda Faye Mayfield entered this world as the cherished daughter of Charles and Ella Brown, born in Milwaukee, Wisconsin. Under the guidance of her late grandfather, Elder Henry Terrell, she embraced her faith through baptism at a young age. Linda's intellect shined brightly from the start, outpacing her peers with ease. She embarked on her educational journey within the Milwaukee Public Schools, attending Siefert Elementary School, Roosevelt Middle School, and North Division and West Division High School. Her thirst for knowledge led her to Beloit College in Wisconsin, where she graduated with a degree in English, setting a remarkable example for her siblings. She was a faithful member of Risen Savior Lutheran Church, along with a rich childhood COGIC history. Professionally, Linda excelled as a marketing representative at Miller Brewing. She also dedicated herself to social service, notably through her roles at the Milwaukee Women's Center and as the Director of youth Services at Risen Savior School and Church.

In her personal life, Linda found joy in culinary arts (her scrumptious Christmas cookies were fought over annually). She took great delight in hosting numerous family and friend gatherings, where no culinary challenge was too daunting. She also pursued a passion for sewing and crafting beautiful garments for weddings and school events. Throughout the challenges of the pandemic, Linda strengthened familial

“ Dear Linda--I will always remember the kindnesses you showed me and the wisdom you shared with me when I was a new recruit to the Women's Center staff--I had the pleasure and honor of working with you for so many years of serious, heartbreaking and joyful dedication to women and their families. Memories of your warm, no nonsense voice and insights will be with me always. Your ability to stay calm and collected during weighty decisions and the daily crises of our work has been a stalwart support for me always. Thank you for all you have given to all of us, rest in peace, cherished friend.

Dear Mrs. Mayfield, I had the privilege and an honor to know her as long as I've been at Riz and Sager her wisdom her strength. Every time I was always going through something she would always tell me Robert keep it in gods hands don't let anyone tear you down and bother you, I will never forget is when I was at graduation when I graduated class 2019 she was yelling in the background like hey Robert good job that's my boy. I will never forget that she's in a better place and she will forever be.

As long as I known her, and as long as I known Mr. Mayfield, they treated me like I was their own son telling me from bad to good to realize what you're doing in that very moment defines the rest of your life besides to the point of what you don't do That will define the rest of your life from right and wrong
