“ TO A BIG SIS AND FAMILY'S

This is a day that the Lord request back to him that beautiful flower that I know and love and I call him my brother Lonnie. God grant my Sister and Family the thing we can not change .But the strength that they need to stand in this time and place that we, will all have to stand one day .May God strength and guide you in your time sorrow.

Virgin your hope is built on nothing less than JESUS' blood and righteousness: Sis dare not trust the sweetest frame, But wholly lean on Jesus' name. When darkness veils His lovely face, You rest on His unchanging grace; In every high and stormy gale, my anchor holds within the veil.
