“ *My Favorite Auntie. Most of my happiness memories involved her! I will never forget her yelling "Teacha Peach come here" lol. It still hurts knowing shes gone. Knowing i could never just pop up at her house on a summer day and eat what seemed like an endleds supply of popsicles. Lol boy boy boy the memories. Rest in peace my beautiful angel 🙏🙏🙏*

“ I worked at Froedtert with Lorraine. I would always see her smiling face in passing and had the pleasure of having a few conversations with her. I did not know her personally but in EVERY encounter we had she consistently had a beautiful smile and a kind word(s) for those who crossed her path. Her face and presence will no doubtedly be missed at that Neurology reception desk corner. This angel finally made it home and will now have the new healthy body that God has promised her in his form.

*To the family and closest friends I leave you this scripture of comfort in the days ahead until we meet with her again when we go Home too.....*

*"Let not your heart be troubled; you believe in God, believe also in Me. In My Father's house are many mansions;if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; That where I am, there you may be also. And where I go you know, and the way you know. Thomas said to Him, "Lord, we do not know where You are going, and how can we know the way?" Jesus said unto him, "I am the way, the truth and the life. No one comes to the Father except through Me." John 14:1-6*

*Be comforted and be there for each other....*

“ A patient informed me today that Lorraine had passed! I am shocked. Lorraine and I used to work together years ago when she was my medical assistant. To this day, I have never worked with anyone as talented, or with a more pleasant demeanor than Lorraine. Even after we parted, she would occasionally send me inspirational and encouraging e-mails. She will truly be missed.
