“ *My Grandfather ~ Was a Wonderful man and I will miss him dearly!! It is still unreal that he is no longer here on this earth but I know that He is Always with us in Spirit. There are tons of things that I wish I could have told him , like a simple "I love u" or Thank U for being the Backbone of the Fields Family for these many years. He taught me how to be humble and how to never take life for granted. I will miss his laugh, his smile and him callin me "Kiddo". Granddaddy u will Forever be in my Heart and I Love u! ~Siquai 2nd Granddaughter bka E.T.##imported-begin##Siquai Fields##imported-end##*
