“ I'm glad I had the chance to meet you and sorry for not being able to spend more time getting to know you. I thought I would have more time with you to discuss my future with Omar and your expectations of me joining your beautiful family. I promise that I will be the best wife, partner and best friend to Omar. I only pray that we could have a blessed marriage as you and Rudolph have had in your lifetime. Rest in peace beautiful angel...”

“ *Today is another sad day for me - my sons, and my grandchildren.*

Even though I am sad, I am grateful, too.

Grateful to the (2) earthlings who helped create Louise. She was my soulmate.

Our (43) years together without calling each other harsh names flew by so fast.

Through the years, our different personalities strengthened our marriage like steel rods reinforce concrete.

Now we are apart, and I am crumbling. I am lonesome without Louise.

But someday our bones will be together in eternity.

Goodbye Lou!
