“ Words cannot express how we feel about the loss of our neighbor. Mr. Berry was more like family than just a neighbor. Living next to you and your family for the past 18 years has brought us so much joy. Carl will forever have your fishing stories and Autumn thinks of you as a Grandpa. We will look out for Sonora and Mrs. Berry, rest in peace and we know you are fishing! Love The Green Family, Nan, Carl and Autumn

“ *It is so hard having to write this for my Uncle Laundry because I could write a book of memories. Uncle Laundry was such a gentle soul and he loved his family with all his heart. I personally will miss talking to you and after I tell you I Love You, hearing you say I Love you too baby. I have so many beautiful memories and I will cherish them for the rest of my life. Aunt Wilhelmenia and my cousins, I Love you all with all my heart and God Bless you all.*
