“ When we got the call from DeeDee it was hard to comprehend at first. Then we started talking about our "14th Street Family" and family was not just a word. "BaeBae", Lovaughn's nickname, was part of our double dutch and four square games on the block. Playing tag and hide 'n seek were also games we played together. I remember the fun and silly tricks. I could write a book, but I won't...all of the older shaw family know what I am talking about. Let's hold each other up and thank Bae Bae for the gift of herself. God bless all of you.
