Such an awesome woman. I really enjoyed the brief time we had on social media. She reminded me so much of my Aunt Sophie & Aunt Effie (my dad's sisters). I developed a special love for her as well as a bond with her. My dear cousin, I'll miss the communication with you but I'm sure I'll meet you again on the other side of this life. Therefore, it's not goodbye, but rather, I will see you later my dear Cousin Lowistine.

Lowistine and I were sister in Christ. She had a funny sense of humor. We call each other twin (Gemini) our birthday was one day apart. One day I came over to pick up some masks she had made. I was at the wrong house. She yelled out of her door twin why are you bothering those people. We cracked up laughing 😂. We always talk after church and blew a kiss before service. Beautiful spirit person. Going to miss that beautiful smile. ❤️
