“ Grandma, this is your baby granddaughter Renee. I'm still in disbelief that you're gone. My heart is hurting. We shared so many beautiful memories together. Me, my sister and two brothers loved spending the night at your house, you making us breakfast and us sitting around laughing. We were all so goofy, no one would understand our jokes. Also, our trips to Arkansas to see Grandma Lydia and my uncles. Best time of our lives. Thank you for showing us continuous love. You will be missed. Love you.
