“ Hey Mom,
I know it's been a while, but I Miss you so Much. You love to know that Quita moved back home since separating from Stacy. I Love having her here, she is living with me for the moment. She also had Christian in her custody, it's a long story...I'm pretty sure you know about it, but if not Ashley had him removed from her home, so now he's in Quita's custody, but a ward of state. My feelings about this situation is but at least he's in her care and she will get him the help he needs while staying connected to family.. I Love You Dearly and Miss You so much. I don't understand how or when your passing get better, I guess I'm still so hurt about it because you felt like you giving up was the best thing to do...I wish you would have opened up a bit more.
Let talk later :-) Love You

Just got home not long ago. I was over Laurie Ann house with her and Dad. He is very lonely. Genova and I are stil connected. Wow you would not believe she is 99yrs. old

Mom...Marvin McGee went home to Glory the other day. Grab his hand and You, Pat, Willie, JP, Uncle Johnnie, Sam, James and all other family welcome him back to our Father.

Mom I got a raise the other day. You should see how much of a Baby Quita is. She ate an apple at work and her jaw is weird and she knocked it out of shocket and it was so funny we can laugh now but she had an inner ear ache. LOL

Yo baby Ashley and I are not speaking right now and Christian is still in foster care waiting on his Dad to take custody of him.

Mom, I miss you so much. I still hear your laugh in my head. It still makes me smile alot. I try to speak to Eva and Deeda as much as possible, will get better at it.

Got to go now...need some sleep. Oh getting married again. Sept 9th 2022 your blessings will always be upon me...I know

Tell Pat and Willie thinking about them and will see them too on the otherside. Hope you and Momma Lorretta are hanging out.

“ Hey Mom,
I know that you know that Quita and I had a conversation about you this evening. Man what I wouldn't do to be able to take you to Walmart, Pick N Save or to your favorite place that dog on Walgreen...Lol on more time.
I sit and talk with you a lot, and never thought to come here and just speak to you. I know you are with me and Pat, Willie, Lenny, all your brothers, friends Momma Loretta with Al are with you too.
Things here on earth are not so good, but it's our Faith that keeps us. I'm starting to hang out at Laurie's house and spend a little more time with her and do for Dad. I like shaving and trying to keep him groomed. Lol
Man Mom...remember what you told me before you closed your eyes and why you didn't want to, but you were getting tired? Well that very things is happened and we are distant, not talking to one another that much. I always Pray that things will get better in Jesus Name. I'm not ready to give up just yet, I keep them all lifted up in Prayer.
Rodney and Dee are grandparents now. April is having another baby and NeNe is married.
Well...I'm going to relax and shower and grab a bit....Until next time :-)

“ *Hey Grandma! Just stopping by...you know how I do; missing you.
It's March 2021, we goin through COVID still. Low key I'm glad you
missed it though. Momma said to tell you hi. We miss you like crazy
but you know that. Ashley don't talk to us either, but you know that
too. We love her still, but you know that too. I just miss feeling your
love all over me when I walk in your door. It's sad to say it especially
since your house is gone. I'm sorry for that by the way. I just wish I
could talk to you again. I'm rambling really. Alright then, Grandma.*

“ *Hey Grandma;
I know you know...and in September 2017 it will be so. There will never be another and I am trying my best to live up to your standard. I could really use you right now. I hope you in whatever form you are now - are happy with me and my efforts. I will keep you always until you come to get me when I too am old. God I love you so much and could stare at you all day. My heart just swelled with love and grief all at the same time but it's all from the place you hold in me that can't be replaced. If only there was one more day, one more hug, one more kiss, one more laugh, one more meal (lol...u know I'm greedy); it would be pure bliss and I would...I can't even formulate the words. U already know; alright then Grandma!*

Therdo Curlee and Ecclesiastes Allen is praying for the strength that all God can give you. Mae was a loving friend to the both of us and never failed to let us know just how much she loved us. She called us regularly to maintain our connection following our move to Alabama. We will miss her greatly. We both loved some Mae Helen Lewis.

“ To Mae's siblings, my Mom, Delia, Eva, Sam and the others. To her children, my God daughter, Ylonda, Yvette, Vanessa, Janice and Mae's young men. To her grandchildren, my heart, Ashley, Danielle, and all the rest. To Mae's niece, my sister, Milini, and her nephew, my brother, Derrick and all the rest, and last but not least my father, Richard, may you find peace at this time as we know the bible states in Philippians 4:6-7

New Living Translation (NLT)

6 Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. 7 Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus.
