“ A tree is known by the fruit it bears and an apple does not fall far from it's tree; so it has been said. Mother Margaret Green has borne a bountiful harvest of grit, intgerity, and love of family and life. I've known Shawn a couple of decades and recently began to actually meet The Green Girls. I said actually because I vicariously knew them, as well as, MOTHER through interacting with Shawn. Something sweet would always reverberate in my heart whenever she spoke of "MOTHER." This evening, Thursday, April 29, 2010, I was an eye-witness to the peace and glory of God resting upon his servant with indescribable beauty. I saw the tree. I saw fruit gathered around it. Therefore, MOTHER lives eternally.##imported-begin##Barbara Pleasant##imported-end##

“ To Mary and Family,  
Just wanted to give my condolences for the passing of your Mom, a sweet spirit that is now gracing the presence of the Lord. She is resting in his arms thanking Him and bragging about her beautiful daughters, son and grandchildren! Happy tears are flowing from her face because of His glory. Hope this will make you all smile in knowing Mom is in a better place. Love you and the Sisters much! Keep her spirit alive in YOU!
