Marilyn or my friend "Cissie", was one of the most beautiful women that I knew. She always smiled and had a distinctive laugh. She was thoughtful, kind and intelligent. She thought of others more than she thought of herself. You will be missed my friend. I will see again on the streets of gold. Dance on sister, Jesus was waiting for you.

Marilyn, my dear friend. You will never meet a better person. Such a big heart with so much love and kindness to give. Truly, one of a kind. The world will miss her, but the memory of her will forever be that big bright shining smile and the joy and happiness she brought to anyone who knew her. May God continue to give you all strength during this time of bereavement.
