“ I just wanted to stop by and say that I am one that is TRUELY missing Mr. Brown. He was a really dear person in my life. He was a freind of three years, a lover, a confident, a friend, and a neighbor....I would do anything to wake up and it all be just a dream. He was such a warm and caring person. Mario really had sooo much to live for, and to share. I have sooo many GREAT memories of him that will NEVER let die. He use to call me cruetta like "cruetta devill" on the 101 dalmations. LOL! This was due to the way my name is spelled. Anyway, anytime when he would see me he would give me the softest, strongest, ang gentlest hugs that one could share. ""giddy"" followed by a kiss on my cheek no matter where we were or who was around. If I didn't hug him to his expectations he would say..." oh so now I get church hugs." lol I then would give him a hug that only loved ones shared. I miss that soooooooooo much!!! TEARS. I miss how he would show his concern abloud me when it came to me pursing my life and my dreams. He and I have some serious inside things that to this day I wish we could have made come to pass but GOd is the ultimate decision maker...I know that he is watching over me daily and assisting me in my everyday endevors. I had a converstion with RIO on February 14, 2010 that will always replay in my head. He has caused a great change in soooo many people's lives including mine. God bless his family and friends. I pray daily for his soul, Mother and Son. I know that we will meet again and it will be a glorius day in heaven. Until then bay flex on..... I'm soo proud of you. I keep telling myself that vengence is the Lords's, as I know you believed . hey boo don't forget to tell God about me. I LOVE YOU. Cruetta

P.S. I have been stepping out there for you too:

“ Mario was an extremely halirous person. Me and Mario came up as kids in church. I wasn't around him as an adult but coming up from a kid into teenagers. Our families have known each other for many years. He will defintely be missed. it's amazing to see how many lives he affected. That is a wonderful thing. I still can't believe this happened. I can't stand to see the family go through so much pain. I just keep praying for them. It hurts me to see them hurt like this. But still will never know exactly how they feel.

“ To the family and friends,

Losing someone close to you may leave you coping with the big adjustment that such a great loss brings. The resurrection hope helps you to gain an inner calm and strength that those who do not know the truth fail to obtain. “We do not want you to be ignorant concerning those who are sleeping in death,” Paul consoled the Thessalonians, “that you may not sorrow just as the rest also do who have no hope.” 1 Thessalonians 4:13 Find comfort now by meditating on the prospect of meeting your loved ones again. My thoughts and prayers are with you all.

“ Mario will be missed by many. Everyone is not fortunate enough to know great people, so I am proud to say that I knew an angel. He was always respectable, funny, and SMART!! My husband and Mario were really close growing up, we didnt just lose a friend, but we lost family. Our deepest condolences and prayers go out to his mom and entire family. Mario, may you forever be in our hearts and souls until we all meet you again...
