“ I met Marlo for the first time when traveling to FIS's Brown Deer, Wisconsin location for work a few years ago. She was very kind, welcoming and a constant professional during our interactions from that point forward. Always willing to share knowledge and 100% customer focused!

To the family: Words however kind will not mend your heartache, but I wanted you to know that those who care and share your loss wish you comfort as well as peace of mind. May you find strength in the love of family and the warm embrace of friends during this difficult time. It was an honor to have known Marlo. She was such a delightful person and will be forever missed.
