“ I worked with Marlon back in the days when he was at Potawatomi as a security officer. I was so sorry for his family when I heard of their loss. Marlon will be missed by us all, but never as much as his family will. Stay strong, and keep your faith in GOD, for only he knows what his plans are for us all. GOD BLESS ALL OF YOU, and especially Marlon.##imported-begin##Patricia Chapa##imported-end##

“ To Wynona Peterson and Family: Marlon was a wonderful man that dedicated his life to his beautiful wife and children. Knowing that you have been loved by an angel sent directly for you is a blessing. Always remember the good and bad times, they shaped the relationship. A wonderful husband, father, son, and friend; it has been a pleasure knowing him. So..Brina and kids, hold on and smile, for your angel just returned home and awaits your arrival. God Bless and we love you.
