*It is with great sadness that I post this message.*

*To my friends and if i may be bold enough to say "family" my heart grieves with your hearts! Mother Bobo was truly holds a very special place in my heart and mind as do you all. Though it seems many years have passed since we last saw each other face to face, however, i've reflected on very fond child-hood and young adult memories with you.*

*i will always remember her singing "THE LORD WILL MAKE A WAY SOMEHOW". She truly believed he would and in many ways i know he did in ways that she knows best.*

*Her mother, your grandmother was also very special to me and yes our grandmothers were very close. i will forever cherish my memories of our families together and how we grew to respect and care for each other.*

*Much love*

“ We extend sympathy to you all, we are family and we will continue to pray your strength in the Lord who does all things well. Words can not express the sorrow that is felt in this moment, but know that God will give you peace in the time of sadness find peace in these words,

*1 Thessalonians 4:13-18*

*13 But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope.*

*14 For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.*

*15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.*
