“ Dear Grandma,
Words do even express the way I am feeling right now. It seems so unreal to us that you have gone on with the Lord, to tend to the angels that are up there. You are one blessed woman and we are blessed children, grandchildren, great-grandchildren and even great-great grandchildren to have you in our life. Truly you will be missed but not forgotten. I love you with every inch of breath in my lungs. I will see you one day and it will be like you never left my side. I love you, and tell my mommie, my aunties and my uncle I love them too.

Love you always & forever
