“ I thank the Lord for Mother Washington. I've known her since 2011, when I met her at a conference. She became a spiritual mother to me. I'll always lovingly and with gratitude, remember everything that she imparted unto me. I hold dear and near what God revealed to her concerning my life. I'm praying for the entire family, that God will wrap His loving arms around you with peace, comfort and strength in Jesus name. My sincerest condolences. Prayers and love. Sis.
