“ *My prayers are with the Trotter and Carpenter family. Look to the hills from whence cometh your help, may God give you joy and comfort in the sweet memories that you have of Maryann. My heart is saddened, I get great joy when I think of our last conversation and how we laughed so much and thats how I will always remember her. A very true and dear friend of mine. Our recent conversations always included how blessed she was to be alive and in the land of the living, despite her illnesses and how good God is.##imported-begin##Brenda Young##imported-end##*
