“ Michael could really make you laugh couldn't he? He would tell joke after joke to keep you laughing about various scenarios. He also had a serious side. He was very protective, especially about his mom. Aunt Ida meant the world to him and you know he LOVED his mom's awesome cooking! When we visited from Michigan, Michael would extend his gift of hospitality at his home exactly as Aunt Ida taught him throughout the years. Michael brought great joy to our family and we will forever cherish his memory.
Love Always,
