“ I just heard about Michael's passing today and I was devastated. Michael and my Mom dated for about 3-4 years during my time in high school. I loved him dearly and he & my Mom loved each other very much. He was affectionately known to my siblings and I as Paw Paw. He was handsome funny and very caring to my siblings and I. When my Mom lost her fight to Cancer in 2005 he was right there with us supporting us even though him & my Mom were not together at the time. It's been a few years since I last saw him but he was definitely near & dear to my heart!! I love you Paw Paw and you will definitely be missed. Kiss my Mama for me!!! Love Always, Equette Weatherall
