“ To the Robertson Family, I would like to express the sadness I felt when I heard the news about Michael. My memories of Michael began in elementary school through high school, and I will never forget how nice he was to everyone he met. Although it's been over 35 yrs since I saw him, I think of him often because he has a special place in my heart. He was a great person and my only regret is that I didn't have an opportunity to see him during my last visit to Milwaukee. Rest in peace.##imported-begin##Shirley Staten##imported-end##
