

Mr. Michael Locklear

January 27, 1950 - December 15, 2019

Micheal Eugene Locklear was born on January 27, 1950 to Susan Faircloth and Charles Locklear in Dayton, Ohio. Micheal received his formal education in the Dayton and Milwaukee Public School Systems. He received his marketing degree from Nicolet College and Activity Specialist from Sinclair College in Dayton .Ohio He furthered his education by getting his Para Legal license and Landlord Training, Micheal was united in holy matrimony with the love of his life Bettye L. Scott on May I, 1982 in Milwaukee, Wisconsin. Their union was blessed with two beautiful and talented daughters Shayla and Marlayna.

Micheal was employed by Milwaukee Public School teaching music technology, he did a radio show and set up for meetings, auditorium programs and videos. He always did the videos, lighting and cds for his wife's dance programs. The students loved him and always asked "where's Mr. Micheal" if he wasn't at rehearsals. As a young man Micheal played the synthesizer with bands in the Milwaukee area, traveling all over Wisconsin, Illinois and over seas.

He continued his love of music doing recordings in his home studio, he also did videos for weddings and other events. Micheal enjoyed his grandchildren teaching and recording them singing and playing instruments. He kept them busy learning to keep the cars cleaned and waxed, cutting the grass and learning how to fix things around the house. He would have them read information and question them on it the next day. It was his way of making

them knowledgeable about the world.
