“ *To the family: I have worked with Mozelle since 1979 at ASMC and became very close in learning about each others life. She has always been loyal to her job and one of the most diligent workers I know. She was straight to the point and a loving spirit to all she was drawn to. She loved all her children and was very protective of them no matter the circumstance or age. She was one of a kind and I am happy to be a part of her life journey. I will cherish the memories in my heart and my prayers are with the family for wisdom and strength. To God Be The Glory.....Amen*
