“ People always said that "God put people in your life for a reason. Muiy you were the sunshine when my days were gloomy and a breath of fresh air when I needed to vent. You made things so pure. My dear friend, I know that he had his reasons why he called his angel home! I never got the chance to tell you that you were such a calm spirit! Now that you are not here who will continue to teach me to HUMBLE myself? Or tell me, Shatari you can handle them? My friend I will miss you!
