“ Myesha words cannot express how sadden and weak I am you were my one and only true best friend since our childhood life from Clarke st Elementry school on up. It hurt so bad I cried every single day & night every since I read the Sunday news paper about you. We shared so many secrets together. Everytime we lost contact we ended up finding eachother again. I'm going to miss your squeeky high pitch voice and goofy laugh. You were always there when I needed a true friend and no matter how sad or mad I was you always made me laugh. Im going to miss your two long bushy ponytails before you cut them off when we were teenagers. Its bad because I'm typing and crying so hard at this very moment I havent slept good for these past five days and I know thats what happen when you lose something or some one thats been apart of you for so long.I just dont understand as BEAUTIFUL & FRIENDLY YOU WERE WHY DID THIS HAVE TO HAPPEN TO YOU. Im going to miss everything about you all the good times we had and to really think about it we never had any bad times that why we were best friends. Oh my God Myesha I'm going to really miss you. You are always going to be in my heart and mind everyday & night. I'm going to try to think of you when you use to make me laugh alot. Its going to be hard to do without shedding a tear but I will make an effort to do it.I remember when we were little kids and we use to talk about when we became grown & had kids, if they turned out to be a girl we would name our daughters after eachother. I would give the world to have you back here and just to see you again. You are just so much to me in many ways. When my love ones didnt understood me you did. I love you as a more then a best friend I love you as my own sister. All the late night phone coversations talking about when we were kids and going to events together will be missed. My mother, sisters & brothers will remeber a sweet & lovely Myesha. I have so much I want to say but all of this wont be able to fit. KNOW THAT YOU WILL NEVER BE FORGOTTEN BY ME. LOVING & MISSING YOU DEARLY YOUR BEST FRIEND SINCE CHILDHOOD STEPHANIE###imported-begin###Stephanie###imported-end###
