“ Aunt Nell,  
The last time I talked to you, you told me that you may not live to see a Black President, so when it happens praise God for you. Aunt Nell, it happened. And the world is praising God & I am praising him just for you. You said that you lived a good life, didn't have any pain and take care of yourself. I will truly miss talking to you four & five times a week, but I will still talk to you in my prayers. I will truly miss you and look forward to the day that I see you in heaven.

With love,  
Your Daughter that you never had, your niece & your friend.

“ I would like to express my sincere sympathy on behalf of me & my family in the death of such a strong & caring woman. Aunt Nell has always been there for my mother & father Hazel & Oliver Manning before they died. She will truly be missed. But God never makes a mistake. He now has one of his flowers with him. I pray that God's powerful love & arms will be wrapped around you as you continue in your days ahead.###imported-begin###Nettie Grace Green & Family###imported-end##
