“ I don't have the words to express my emotions. Yes, you were my cousin, but you were my friend as well. The many road trips, dancing at the clubs and talking about our goals in life. The last time we saw each other you told me you were proud of me. We begin to talk about you visiting me in Paris, France. Cousin, I'm going to miss all the support you gave me. Thank you for our last conversation, and I will remember everything you said. I love you and I'm going to miss you.
Love your cousin,
Arllette
