“ I will miss seeing Odell's friendly smile and talking with her about the news of the day, here at St. Francis Hospital. My great sympathy to her family on their loss.

“ To my Loving Aunt who was more like a second mom to me, you will be sorely missed by the Real members of the family. What I'm gonna miss most of all about Odell is that ol skool family love, that this family has lost along the way, but regardless of all of that you will always be The Matriarch of the family.
