“ Kim,

I am praying for you and your family. 4 years ago, I went through the same thing. I can only tell you that prayer and my siblings sticking together help me to make it. I know it is hard now, but when it gets too much, stay in prayer and remember all of the good times you had with your Mom.

I love you and I know that God will bring you all through this.

Weeping my endure for a night, but joy will come in the morning light.###imported-begin###Benita Rustad###imported-end##

“ Michael, Pat & Family

Our thoughts and prayers are with you as you celebrate your mom and the life she lived. It's so true that you will always have memories that will keep her with you, and yet know that she is on Angels wings now.

love,###imported-begin###Marie Brooks###imported-end##
