“ *Mrs Norris was a real blessing here at Luther Manor. Her faith and love for her Lord shown through when she was able to attend Bible Study and worship services here. I was able to visit and share scripture as her health declined. The family and loved ones will be in my prayers. God's peace. We will miss her here, but am thankful she has received the fulfillment of her faith and is resting in the arms of Jesus.*

*Pastor Dave Patterson  
Director of Pastoral Care
