“ *Our utmost sympathy to the family and friends of Oscar. We knew him through our son-in-law Adam when he would join us for family get togethers as he was viewed as one of the family. We know he is now with his creator and is finally without the pain and suffering he has endured through-out his illness. All of you who are related and to his friends, he is gone but his memories will be yours forever.*

Warmly, Paula and Chuck Rein###imported-begin###Paula Rein###imported-end###
