“ I met Patrice about 2 years ago at a Memorial service I conducted. She requested me to begin a Bible study which she attended faithfully. Through it I came to know and love Patrice. Her love for Jesus was always shining through her smile and twinkling eyes. It was a blessing to have her as a part of our group-we became a little family. Patrice, you will always be loved and you are tremendously missed. Thank you for blessing us for a little while. Thank you for being my friend. With love and prayers for all who mourn your loss, and yet with the hope that in Jesus we will dance with you in glory-
