“ I send my deepest condolences to family and friends. Pinky was like a sister to me. We had fun time together and was always getting into trouble, but fun trouble. I will always have a place in my heart for her. Beautiful inside out.

Miss Pinky when mama told me you were gone, my heart broke, I will never forget what a loving friend you were to my mother, and the love you always showed me and my siblings. Your presence , your beauty, your strength,, and kindness will be missed. I take comfort in knowing you are reaping the fruit of your labor, now you can eternally rest in His peace, that surpass all understanding. I love you

“ My Prayers and Condolences to the Family.  
I have everlasting beautiful memories of Pinky and my Christian walk with God. Being 2 weeks difference in age and birthdays we sometimes celebrated our birthdays together. God has summoned home his beautiful Angel for Eternal Rest. Loved and Missed. Your Sister in Christ Jesus
