“ I was sorry to hear that your loved one had passed. I worked with her for many years. She was a dedicated social worker and administrator. She was very committed and went beyond the call of duty to advocate for those who could not speak for themselves. I know she will be missed. I was out of town at the time of her passing. But, want to state what you already know. Her life will continue on through the lives she has impacted. Brenda Ward##imported-begin##Brenda Ward##imported-end##
