“ *I will miss my grandmother very much, I loved just calling and talking to her on the phone about any and everything and talking for hours. As a child I was always at my grandmother house like it was my home.*

“ *Cousin Prenie was a beautiful woman and she is loved very much. I remember when they use to come over grandma house, she always had a smile on her face. And we always ran into each other on the bus, we would sit and talk until our stop. We're sending prayers and love to the entire Sisk Family, we love you all.*
