*“ To Deotis and the family, I am very sorry for your loss. Even though I only met Qiana a few times, she was a very kind hearted woman. There are going to be many hard times ahead and your going to feel like giving up. But remember that she is in a beautiful place where there is no more suffering and pain, and she is always going to be with you. I know your pain and what you are going through if you ever want to talk, vent, or support I will be a phone call away..414-326-0312, again I am very sorry for your loss. Sarah Jackson

“ Qiana,  
*I enjoyed our talk we had the last time I saw you. You spoke of how much happiness and joy your children and husband brought into your life and how grateful you were to have to have such a beautiful family. I know that you are watching them from heaven now.*
