“ You were a breath of fresh air. You had a laid back personality. You had a way with stories. You were also a great cook. Who will make sure the Training Department runs smoothly? Who will keep Yolandis and Fran in line? It will not be the same without you. This is one Platform Instructor that will miss you dearly.

“ Randy,
You were a breath of fresh air. You had a laid back persona about yourself. Who will make sure that the Training Department runs smoothly? Who will make sure that Yolandis and Fran are on top of things? It will not be the same without you. You will be missed dearly.

“ I heard about Randy when I pulled in bus tonight. I was stunned. He was so alive I have never imagined he would die. Randy taught me things that I use every day I sit behind the wheel. He was one of the most gifted teachers and storytellers I have ever met. I will always remember us 12 students sitting in that room at HQ, all of us laughing too hard to talk as Randy led us down yet another branch of memory lane. He made me realize how ... intensely human you have to be to drive a bus well. You are in my thoughts and my heart.

I just heard about Randy,I am shocked and saddened. Randy was the man anyone mother would love as a son. I loved and respected him so much as a person. I will never forget that wonderful smile and thoughtful ways. I haven't seen him in several years but the last time I saw him will be a lasting memory in my mind. My condolences to his family, may God bless you and give peace in your bereavement. Hattie Patterson MCTS retiree.
