“ Randy,

I rember when your father and fmother, Randy and Mona, asked me to babysit you guys, you were only 9 and I was 14 then. Being with you all, was so much fun going to Beloit visiting family who I thought was my family.

What I remmber the most, was when you would always run to the conner store to buy that bag full of candy. Your mother would be so upset with you, that she would take the candy and put it up until after dinner then you can have it. (smiling)

Those were the most happiest times of my life babysitting you all. You turned out to be a GREAT YOUNG MAN. Randy and Mona did good with all of you. I am truly going to miss you, even though I have not seen you in years.

My heart hurts for your family. I always wanted to see you, I didnt expect to see you this way(tearing up)

Randy I know you're with out lord Jesus Christ and some day we will meet again. There is so much I want to say, I just cant put it all into words now. I love you all so much.

Peace be with the family, love you guys forever.
