“ I would like to express my deepest sympathy to the family. G and I hadn't communicated in about 6 months or so before her passing. She and I been texting one another summer before last. I tried to get over to see her, but she didn't want me to see her that way because she was "The Queen" ;-}. I was shocked to my core and very hurt to hear she was not with us anymore. We worked together at Advanced Health and became very good friends. She will always hold a special place in my Heart because of all of our fond memories shared.##imported-begin##Cherita Martina##imported-end##
