

Mrs. Renee Harris

March 29, 1957 - October 6, 2015

Renee Adams Harris was born on March 29, 1957 in Memphis, Tennessee as Louis Adams and Saint Adams second child of the five children they birthed and raised. She was the sister of Regina Adams, Rhona Adams, Reginald Adams and Russell Adams.

She moved from Memphis, TN to Milwaukee, Wisconsin in 1981, where she decided to make her permanent residing place of residence.

The loving mother of six children, Renitta Gibson, Verna Adams, Carlissa Harris, Dartina Harris, Marlina Harris and Roosevelt Barnes, Jr., she was also a supporting and encouraging wife to her husband, Curlee Harris.

Renee Harris was an independent, determined and hardworking woman that had an inner strength that could move mountains. You would never see her sad about anything. She never showed those emotions. Those are some of the same qualities that she instilled in her children. Everyone that knew Renee Harris knows that she was a driven go getter. She would always show her experiences through words of wisdom and that's how she would like to be remembered.

She was last employed at Aurora Sinai as an Environmental Services Assistant. Some of her hobbies were decorating, shopping, watching the soaps on television and talking on the phone.

Some of the qualities she possessed were being strong minded, ambitious, courageous, sacrificing and very truthful, even if it hurt.
