“ I grew up across the street from the Harris's so I have too many memories to even attempt to share. I can say this though, he was a very loving and caring man. And, I can't recall ever seeing him without a smile on his face. My heart is truly broken because I am unable to be there with Mrs. Harris, Kim, Daryl and the rest of his family but please know Anthony and I are praying for God to keep his arms around you all and comfort you during your time of grief. Anthony and Vernecia Armstrong-McCall 🙏❤️
