“ Robert Earl always called me Flo Jo . I miss talking to you Robert Earl (my first cousin more like a big brother) . He always checked on me since my parents died in 2005 ,comforting me when my husband died. I was crying several times when he called before the phone conversation ended he could make me laugh. I will always miss his jokes and laughter. The meaning of what family should be to each other was defined in Robert Earl Thurmond . I love you big brother.
