“ To the family of Roberta, I am so sorry this is terribly in getting to you. I had lost the notice and just found it. I am a retired harp and piano music teacher for MPS and retired nine years ago when an illness put me in a wheel chair and I could no longer get into the schools easily. Roberta was one of the best principals I ever worked with. She truly had the interests of the kids in her heart and worked tirelessly to do it. She realized the value of music in a student's life and did everything she could to make sure they had their chances to take lessons and perform. She was a great educator and a great loss to her family and friends, With deepest sympathy to all of you, Jeanne Kahn (celebrateharp@aol.com)

“ Mrs. Wilkerson truly personified the role of Principal, Teacher and caring advocate for her students. I was one of her students at Emerson Elementary in the late 80's. I will always remember her love for me and her keen ability to make sure I was doing the right thing. My prayers are with the Wilkerson Family and Friends in your time of bereavement.
