“ Ron it hurt my heart when I heard of your passing. I'm so thankful for all the good times we had. I can go back to when we first met when we both had paper routes (you on 34th & Thurston & me on 35th & Thurston) & we use to race to see who got done the fastest & whoever won had to buy Gold rush Chicken when it was by our house. We sure had some good times growing up. I thank God for allowing you to cross my path...
