“ Ronnie’s family my name is Pat Lynch I worked with Ronnie at US FOODS. After Ronnie retired, we talked to each other a couple times on the phone. I heard about Ronnie passing away months after it happened. We were buddies. I would dance like Michael Jackson and he would make fun of me. Then when a boy George song would come on he would point at me and say that’s you, that’s you! A boy George song was just on the radio and so I thought of Ronnie I should have written you sooner but I’m not very good on the computer.hope this finds everyone healthy. I do think of Ronnie and his family often. Sincerely, Pat Lynch
